Mrs Effa Manley
Business Manager
Newark Eagles, B. B. C.
Spruce Street, Newark, N. J.

My Dear Mrs Manley:-

Realizing the importance of wholesome recreation in maintaining a well rounded and properly balanced life I get a great deal of real satisfaction and enjoyment following the different Sports. I think that Base Ball is one of the greatest of American Sports because it offers both clean and keen competition for the Players, and gives the thousands upon thousands of enthusiastic on-lookers a much needed thrill and a necessary avenue for relaxation.

I would enjoy seeing the highly commendable Newark Eagles in action during some of their week day and Evening Games. I have been informed that you in your capacity as Business Manager for the Newark Eagles Base Ball Club, extend the courtesy to Ministers of issuing them a Seasons Pass. I would be pleased for you to add my name to the list of Clergy to whom you grant that favor.

I trust that when the Season shall have drawn to a close the Newark Eagles name will head the list.

Yours in the Fraternity of Sport

Earle H. Lawrence
